My feet and ankles swelled and I was in bad shape during the whole year, until for any kind of housework. Everything I undertook was a drag. My kidneys didn't act regularly and I heard about Doan's Kidney Pills and sent to the Louisa Drug Store Co. for a box. After using them, I got rid of the trouble. It Has Set A New Standard

6 Cylinder—50 Horsepower—\$995

The Jewett weighs more than 2800 pounds ready for the road. That at once proves that it cannot be compared with any "light" six on the market.

It is equipped with a fifty horsepower motor of 3 1/4 inch bore and 5 inch stroke. To find a motor of equal power you must look to cars that sell for a much higher price.

It is important to remember these facts. For they prove that the Jewett is built with excess strength in every detail of its frame, transmission, clutch, drive shaft and special Timken axles.

And they prove most conclusively that the new reduced price of \$995 f. o. b. Detroit is the standard of value by which all five passenger sixes must be judged.

It is sold and serviced by Paige dealers everywhere
